## 6. Data protection - Declaration of consent<sup>2</sup>

### a) Information on data storage

IHK FOSA as one of the competent bodies according to Sec. 8 BQFG, has the statutory task to conduct the recognition of equivalence of training certificates acquired abroad and any related further professional qualifications with corresponding german professions.

For the fulfillment of this task, personal data are stored and transferred to other competent bodies within the scope of legal regulations.

### b) Consent to the transfer of data<sup>3</sup>

Eventually a need for consultation on advanced training possibilities may arise after having received an official notification about full or partial equivalence. Consent to the use of the data for research purposes is given, as well as to the transfer of the application data and of the results of the procedure to the competent Chamber of Industry and Commerce for the purpose of consulting and assistance.
